3. The following is an estimate of utilization for  
Fiscal Year 1964:

Sorties (Total)	475
Flying Hours (Total)	2600
Average Aircraft Assigned	7

4. During the period when the Agency is required to support the BRASS ENOB operation as in the current arrangement, our average scheduled maintenance hours per aircraft will increase substantially. Presently, we perform the periodic inspection and the aircraft is flown by the FOG unit. Therefore, the scheduled maintenance hours compared to hours flown on subsequent reports may increase considerably.
